MULTIFOCAL

- 1-Day GP fitting & dispensing
- Eliminates lens exchanges
- Reduces chair time
- Increases practice revenue
- Improves staff efficiency
- Increases patient retention

MVP<sup>™</sup> Multifocal, exclusively from ABBA Optical, is now available in a 1-Day diagnostic GP delivery system called SureFit<sup>™</sup>. SureFit provides 3 lenses per eye to successfully fit your presbyopic patient in one office visit.

MVP with SureFit eliminates multiple lens exchanges, and with SureFit, you'll always have the predicted parameters for 1-Day dispensing.

Order your next presbyopic GP from ABBA and request MVP with SureFit. When you mention this ad, you'll receive 50% off your first order. Offer expires 12-15-08.

A cancellation fee of \$20, per patient, applies to returned MVP SureFit orders.

SureFit is a patent pending delivery system available exclusively in Paragon HDS®
